

The Secret Lives of Teens & Tweens

JOIN US ON WED., APRIL 4, 2018 AT PIERCE SCHOOL
AUDITORIUM (50 SCHOOL ST.) 7:00PM-8:30PM

Jon Mattleman, MS, a mental health counselor and trainer with 30 years' experience working with youth, parents, and families, has presented in communities statewide. His dynamic presentations give participants constructive tools for communicating, problem solving, and working with adolescents.

Do you wonder:

- What teens/tweens are really thinking?
- Why they don't share their fears (or anything) with us?
- How we can productively support them?

Participants will leave with:

- New ways of understanding and engaging with teens/tweens
- Strategies you can implement immediately
- More confidence, courage, and patience

**LEARN WHAT TEENS AND TWEENS ARE REALLY THINKING
AND HOW TO SUPPORT THEM**

The talk is free and open to all in the Brookline community. We merely request that attendees register. Thank you.
