

Stink! opens with a foul smell, a pair of kid's pajamas, and a father trying to figure out what that smell could be. Stumble upon how some household products are not safe by design.

**Bring the family!**

**FRIDAY, APRIL 6, 2018**

**6:30PM - 8:30PM**

Prof. Michael Berger,  
 Simmons College  
 Kathryn Rodgers, MPH,  
 Staff Scientist,  
 Silent Spring Institute

**Lawrence School Auditorium  
 27 Francis St, Brookline  
 Free & open to the public**

**Informal discussion will follow**
