2. **Newsletter Distribution.** We had 400 copies printed for January, rather than the usual 300. Currently, fewer than 100 copies are mailed out and the rest are available with other handout material at the Senior Center. The purpose of the additional copies is to place them in such locations as the public libraries, Center Communities of Brookline, Goddard House, and banks. We will do some of this with the January issue, and will do it more fully in February.

**NEXT MEETING: WEDNESDAY, February 12, 2020 2:00 pm**
